

1 Tendo em atenção as imagens, completa as **subtracções**.

$$5 - 2 = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

2 Escreve por **ordem decrescente** os números.

$$\underline{\quad} > \underline{\quad} > \underline{\quad} > \underline{\quad} > \underline{\quad}$$

5 Calcula e escreve os números nas bolas.
